Lodging

Here are 2 suggested alternatives for lodging:

- ◆ Stay near Detroit Metropolitan Airport . As you would expect for a major metropolitan hub, there are a variety of hotels and motels in a wide price range near the airport. For a list, go to www.metroairport.com/links/.

Directions from the airport to GCH:

- from the terminals: Take Merriman Road north. Turn right onto Ford Road. Turn left onto Inkster Road. Garden City Hospital is located on your left approximately ½ mile north of Ford Road.
 - from offsite lots: Take Middlebelt Road north. Turn right onto Ford Road. Turn left onto Inkster Road. Garden City Hospital is located on your left approximately ½ mile north of Ford Road.
- ◆ If you would like to get away from the airport, we suggest trying one of several hotels in Canton, Michigan, which are conveniently located off the freeway and a short drive to Garden City Hospital. To reach these sites, take I-94 west to I-275 North. Exit at Michigan Avenue (exit 22) or Ford Road (exit 25).
